SRT 600 SX FEATURES

FULL LED LIGHTING

Headlights, tail lights, DRL's and indicators are full LED as standard. The LED lighting system guarantees exceptional visibility and increased safety day or night. The ADV bike is equipped with Aux DRL / Fog lights as standard

MARZOCCHI ADJUSTABLE SUSPENSION

Marzocchi adjustable long travel USD front forks and rear mono-shock shock can easily cope with the impact of rough roads or pot hole filled city streets for a smooth comfortable ride

554cc 270 DEGREE CRANK DOHC PARALLEL TWIN ENGINE

The QJMOTOR SRT 600 SX has a 270 degree crankshaft in this compact yet powerful parallel twin cylinder engine as standard. The 270 degree firing order mimics the feel of a V-Twin offering a more linear power output and reduced vibration.

LARGE TFT DASH

The SRT 600 SX has a 7in TFT screen that has a colourful, clear and easy to read screen showing a wide array of information such as speed, engine revs, engine temp, outside temp, fuel gauge, odometer and trip, tyre pressure and temperature and navigation mirroring from your mobile phone via Bluetooth. The clear, easy to read display allows the rider to select different rider modes, switchable ABS and TCS

20.5L FUEL TANK

As an Adventure Tourer the SRT 600 SX has a large capacity 20.5L fuel tank to reduce the need for frequent fuel stops and aid longer journeys. The Euro 5+ engine is frugal and returns fuel economy figures of 4.1L/100km (68.9 MPG)

COMFORT FEATURES

The QJMOTOR SRT 600 SX is equipped with adjustable brake and clutch levers, a sculpted, none slip, heated riders seat and heated grips both with 3 heat settings as standard helping you ride for longer regardless of the weather.

HARD LUGGAGE INCLUDED

The QJMOTOR SRT 650 SX is fitted with a full three piece, lockable hard luggage set (with removable soft liners) as standard

ENHANCED PROTECTION

The SRT 600 SX is equipped with handguards and robust tubular steel crash bars and a metal bash plate for enhanced protection in the event of a fall. This equipment combines high-end comfort and increased safety, making the SRT 600 SX ideal for all journeys and commutes.

LOW HEATED SEAT

The SRT 600 SX is equipped with comfortable, sculpted, stepped separate rider and pillion seats. Both seats have dual tone none slip seat covers. The riders seat is heated with 3 heat settings and has a low seat height of 805mm. The seat has a narrow step over to ease getting on and off the machine.
